NOTICE TO TENANTS

Effective **September 30, 2020**, the New York City Police Department (NYPD) dissolved the Trespass Affidavit Program (TAP) (originally known as “Operation Clean Halls”). Police officers will no longer be conducting random interior patrols inside of your building. Please ignore any NYPD signage in and around your building that mentions TAP or “Operation Clean Halls.” A request was already made to your landlord and/or management company to take down the signs.

If you have concerns about trespassing and other crimes in your building, please contact your local police precinct, or 911 in case of an emergency.
